### Springfield office expansion completed A New Look

The extensive expansion to our 536 N. Bruns Lane, Springfield, IL, office has been completed. We have combined Unit 1 and Unit 2 to create one large unit that better serves the needs of our clients. New space has been added to each attorney's office to allow for a meeting room where the staff can have more room to work, meet with our clients, and prepare our client's files for trial.

In addition to each attorney having a private meeting room, we have created a Learning Center. This new Learning Center is an exciting addition to our office as it will be utilized in a number of ways to educate and cultivate our attorneys and staff. Not only will our staff benefit from this Learning Center, but our knowledgeable team will be able to instruct and lead Continuing Legal Education classes for attorneys around the state.
